EDITOR'S LETTER

By my reckoning, this issue will be going on sale (digitally, at least) less than a week before we'll know the result of the presidential election in America. Exciting times, eh? Not only a brand new issue of *Mayfair* to enjoy, but also, perhaps, a brand new President to help steer the free world through all its current travails! Still, it's hard to get quite as excited about some 70-something year old bloke as it is about all the super fit lovelies in *Mayfair*, so I trust you won't let your attention get diverted too much!

HOGWARTS SEXPRESS

Dear *Mayfair*,
There's been a lot of sympathy for students returning to Uni this term and getting clobbered with Covid, but I thought I'd write in and let you know there's a flip side to that particular coin as well. I took a year out to do a bit of travelling before heading to Uni this September, but my plans didn't really work out, for obvious reasons, and I ended up spending months cooped up with my folks, just itching to be able to get away and experience all the freedoms I'd been missing out on.

Finally the start of term rolled around last month, and I found myself moving into a hall of residence with five other freshers; Harry, Katie, Will, Sian and Hermione. We spent the first afternoon all popping into each other's rooms to get to know each other a bit, and once it transpired we had a Harry and a Hermione on our hall it was only natural that we started calling it Hogwarts. Katie said it was a shame I was called Rob rather than Ron, but what can you do?

We decided to have a bit of a hall party on the first Saturday so we could get to know each other even better, and I have to say, I was desperate to get to know Hermione better – she's a gorgeous brunette with a beautifully curvy arse that looked amazing in her leggings.

Even before we got to Saturday, though, things were starting to go off the rails thanks to Covid, with so many people in our particular block developing symptoms or testing positive that we were put into lockdown. And sure enough, Will developed a bit of a cough as well, meaning we were all stuck in our hall for two weeks.

Chatting to Will and Katie in our shared kitchen, we decided we wouldn't let the situation ruin our hall party that weekend, and we decided to order in pizza and get Harry's parents to drop some booze round for us, so come the Saturday night things weren't too bad – the six of us were able to let our hair down a bit and crank up the music. We all got on really well – Will had more or less got over his cough, and nobody else seemed to have any symptoms at all. Besides, we were stuck here for another 12 days, so it seemed like to perfect time to catch the virus if it was still knocking about. Come midnight it was pretty obvious that Will and Katie had hit it off, and after they'd poured themselves one final drink from the now nearly depleted stocks they headed off to his room to get to know each other a little better.

Harry, meanwhile, had more or less drunk himself into a stupor, so in the end I figured I'd better help get him back to his room, where I left him mumbling about what a good mate I was as he sprawled on his bed. Returning to the kitchen, I found Hermione on her own.

"Sian was feeling pretty tired as well," she explained. "And besides, maybe she thought three was a crowd…"

She gave me coy little look when she said this, and I felt my cock twitch in my boxers – it looked like this night was going to pan out exactly the way I'd hoped it would!

"Well," I said, my mouth suddenly going dry, "that's very nice of her. But wouldn't you rather it was you and Harry here

SCUBA SCUBA DOO!

Dear *Mayfair*,
I loved the pictures of the stunning Carolina in her little wetsuit, not least because they served to remind me of a girl called Amy I went out with for a while in the late 90s, who was a real scuba diving and snorkelling freak. I was a bit of a novice, but I gave it my best shot (snorkelling, at least) when she talked me into a holiday island hopping in Greece. My reward, on more than one occasion, was a fantastic fuck on a totally deserted beach we'd swum to from one of the little yachts we were out on practically every day. I'll never forget the sight of her peeling down the zip of her little wetsuit to reveal her perfect boobs, nipples already stiff in readiness of what as to come!

We went our separate ways eventually, but memories of that holiday will always remain with me!

DRIVING ME NATS!

Dear *Mayfair*,
Natalia Forrest's always been one of my all-time favourite models, but I've written in to complain about the photoset of her you featured in 55.06. Not that there was anything wrong with it *per se*, but the final photo, in which we're treated to a magnificent view of her gorgeous pussy and arse, receptively awaiting the arrival of a stiff prick, is by far and away the most arousing image I've ever seen in my life, and I've spent so long gazing in wonder at it think it may have burnt it itself permanently into my mind's eye. Every time I close my eyes the image comes drifting back to me, and I get a raging boner, which isn't always convenient, as I'm sure you can imagine! Please think twice before you ever feature such a horny image in future – especially of Natalia!

now? You know, Harry and Hermione and all that…?

She laughed. "I'd never live it down if I went out with someone called Harry! Besides, he's not really my type. Anyway, Hermione ends up with Ron."

"Will Rob do?" I grinned, and as if to answer, she stood up, walked over to me, and kissed me squarely on the lips, her tongue snaking into my mouth as her firm tits pressed against my chest.

30 seconds later we were back in my room.

"I promised myself I'd have a shag in the first week!" Hermione grinned, peeling off her tight top and unclasping her bra to reveal a perfect proportioned pair of boobs. I could only feast my eyes on them for a moment before stepping forward and cupping them, feeling the nipples stiffen as I brushed my thumbs over them. They weren't the only things stiffening, either, as my cock began to throb in the tight confines of my jeans. Thankfully Hermione was even keener than I was to get it out, and I felt he desperately scrabbling at my belt and flies before, with a wriggle of my hips as she tugged down my boxers, it sprang out, all ready for action.

"I've only tasted one cock before," she smiled, "so I'd very much like to see how yours compares…"

"Be my guest!" I said, and without further ado she dropped to her knees in front of me and, gently holding my shaft with her right hand, she stuck out her tongue to run it across the tip, scooping up a tiny drop of pre-come as she did so.

"Mmm, I think this one's nicer!" she purred, before leaning forward and, slurping about half my 7 incher into her warm mouth, she closed her lips tight around it. I let out a gasp, trying not to come there and then, and it took all my willpower to hold off as she slowly began to bob her head back and forth, while at the same time fondling my balls.

"Oh God, I'm gonna come if you keep that up much longer!" I groaned, and she stopped.

"Not before we fuck you're not!" she said, and, in a completely no-nonsense way stood up, flipped off her shoes, wriggled out of her leggings and panties, and hopped onto the bed.

I wasted no time in joining her. I was desperate to taste her neatly trimmed fanny, but she wanted my cock inside her and I certainly wasn't going to argue with that. Being the optimistic type, I'd made sure I had a few condoms in my bedside drawer, and, having slipped one on in double quick time, I clambered between her spread thighs and, looking down to make the most of the sight, fed my cock into her tight, slippery hole.

Hermione moaned as I eased my way into her, wriggling her hips from side to side a little until I was buried up the hilt in her silky snatch.

"Mmm, that feels so good!" she smiled. "I've been looking forward to this moment since lockdown started, and she squirmed beneath me once more, savouring the feeling of my cock stretching her pussy walls.

"Me too!" I couldn't help laughing, and started to fuck her slowly, knowing that I was on a hair trigger by now and anything too energetic would push me right over the edge.

While I was doing my best not to come, Hermione was clearly happy to chase her own orgasm, reaching down between us and rubbing her clit with one hand while squeezing a boob and pinching one of her nipples with the other. It was such a horny sight I had to close my eyes before long, and desperately tried to think of the most boring thing I could think of as her vice-like cunny gripped my prick.

Thankfully it didn't take her long to reach the critical moment, and as she wrapped her legs around my waist and pulled me even deeper into her, I felt her pussy flush with hot juices as she came, writhing, all over my cock.

That was it for me, and I was just upping my tempo to pump my spunk into the johnny when she almost growled, "Now I want to see you come!"

Happy to comply, I pulled out, yanked off the glistening condom and, with just a couple of swift strokes, send an arc of jizz cascading over her body, the first spurt reaching her chin before the rest squirted down over her boobs and onto her firm, flat belly. Finally spent, I collapsed onto the bed next to her and, for some reason, we both started laughing uncontrollably.

"Well at least that's that ticked off my list for freshers' week!" she said, reaching down to smear some of my spunk into her glistening tits.

"There's plenty more where that came from," I grinned, and she reached down to give my cock a playful tug.

"I'm very glad to hear it!" she replied. "I'll be taking you up on that before long!"

And I'm delighted to say she has, almost every night over the last few weeks. Harry and Sian haven't quite got it together yet, but what with Will, Katie, me and Hermione, this year at Hogwarts is shaping up very nicely indeed!

CARRIE ON REGARDLESS

I've been married to Carrie for just over 8 years now, and for the last couple we've liked to spice things up by involving another couple. We're not really what you'd call proper swingers, but we met Tom and Pauline on holiday in Turkey in the summer of 2018, and I don't know whether it was the sun or the booze that did it, but before the end of the fortnight we were regularly

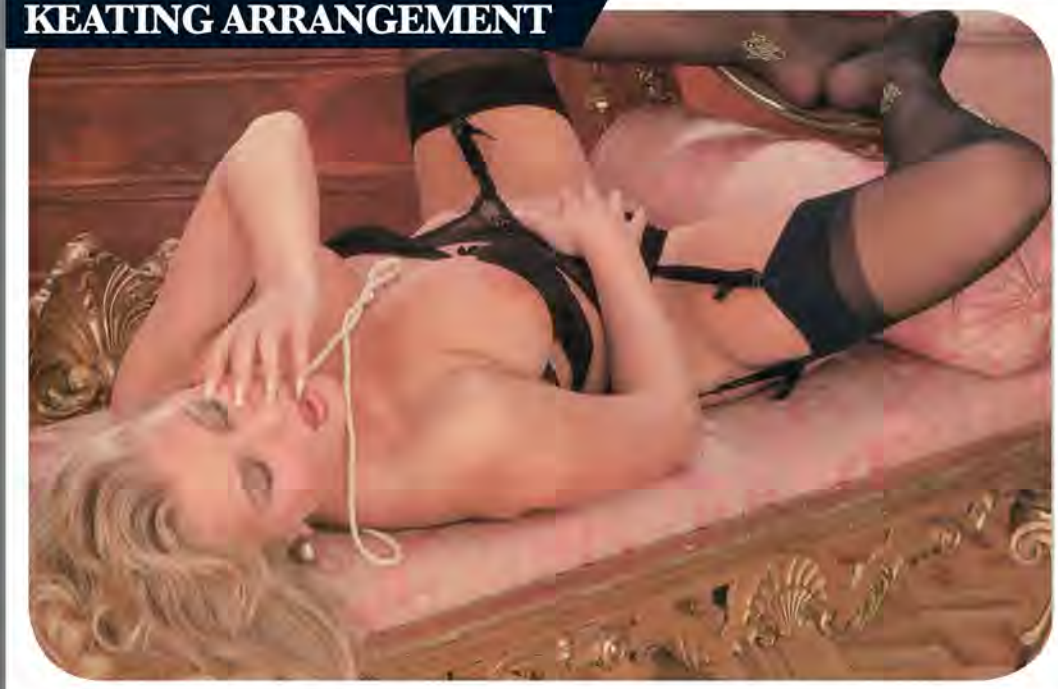
MARK IV

We've got a bit of an eye for a classic car here at *Mayfair*, but it's take a lot more than a Lincoln Continental Mk VI to distract us from the even more impressive model posing in front of it!

"Well I should hope so too, although now you've said that, I'm wondering exactly what car would be impressive enough to distract your attention away from me!" ponders Marie with a pout.

Oh, well, if you put it like that, nothing really springs to mind. Automobile engineering's all well and good, but there hasn't been a car invented that could hold a torch to those magnificent boobs of yours!

KEATING ARRANGEMENT



Dear *Mayfair*,
As a loyal *Mayfair* reader of many years standing, can I just say what a treat it was to see that set of Kirsty Keating featured as your classic set last issue! I actually remember that set from the first time round, when I was at Uni and was responsible for keeping our student house supplied with mucky magazines. *Mayfair* was always my go-to magazine, and that set of Kirsty proved especially popular in our household. In fact I seem to remember I actually went out and bought a second copy, just for my own personal collection!

I guess Kirsty is middle aged and married now, just like me, but I reckon whoever she ended up with can count himself one lucky guy! And if she happen to be reading this, thanks for all the happy memories!

Adam, via email.

'Mucky magazines'?! Well, we're very glad you bought two copies of that issue and that the set of Kirsty brought back some happy memories Adam, but please remember we're a 'Gentleman's Interest Periodical'! - Ed.

swapping partners. They're definitely more into the swinging lifestyle than us, but having just one other couple in our lives seems to work well for me and Carrie.

Ever since that first holiday we've visited each other every few months. Of course the sex with Pauline is amazing, but it also keeps things between Carrie and me nice and fresh – as we either relive the memories of our most recent session with Tom and Pauline, or anticipate the next one! However, on their last visit things turned out a bit differently – and now I'm even more in love with my sweet Carrie than ever before.

As usual they'd arrived at our house on the Friday evening, all set for a weekend of dirty fun, and we headed out to a restaurant near ours for a meal to get us in the mood. However, once we'd got back to ours and I was cracking open a bottle of bubbly, Pauline suddenly turned a funny colour and dashed out of the room.

Tom followed her out, returning a few minutes later to tell us that she'd clearly had something that didn't agree with her, and frankly he doubted whether she'd be up for much that night. We expressed our concern and dug out some tablets that might help a bit. She did look pretty dreadful as she made her way to our spare room, and while I was feeling let down, it was clear she was out of action for at least 24 hours.

That left me, Carrie and Tom sitting there a little awkwardly. I didn't want to spoil their fun, but they were clearly both feeling a bit hesitant.

"Don't mind me," I said at last. "I'm sure I can look after myself for one night!"

There was silence for a moment before Carrie spoke. "But why should you?" she asked. "I'm sure I could handle the both of you."

Tom and I looked at each other, and all my disappointment suddenly evaporated. The thought of my wife getting stuffed with two cocks simply blew me away! I certainly didn't need any persuading!

After refilling our glasses Carrie set to, telling us to sit next to each other on the sofa and get our cocks out. This we did, and she knelt between us, grabbing a shaft in each hand and alternately kissing and licking them. I could see Tom's cock was a bit shorter than mine, but clearly lot thicker, and the site of my little slut of a wife wrapping her lips around his thick pole was almost enough to make me come there and then, but I managed to hold out – this was clearly going to get a lot better!

It wasn't long before it did. Standing up, Carrie wriggled out of her little dress, revealing her gorgeous pert titties, and then pulled down her lacy panties. Kneeling down between my legs, she looked up and Tom and said, "I've been waiting weeks to get that fat cock of yours back in my pussy, so would you mind...?"

He didn't, and after standing and removing his jeans and pants he got behind her and fed his prick into her wanton little pussy. Now looking at me, Carrie said, "Oh, that feels so good! How do you like the idea of another man's cock in my pussy?"

From the way my prick was flagpoled in front of her, the answer was all too obvious, and she didn't waste any time slurping it back into her mouth. As Tom pumped her from behind, her head bobbed back and forth on my cock, her mouth taking every inch of my prick each time she was pushed forward against me.

The sight before me was so horny there was no way I was going to last too much upping his tempo, really slamming into her as he approached his orgasm.

"Come on, give me your spunk!" urged Carrie, suddenly pushing Tom back and out of her, standing up and moving to the coffee table, which she lay across.

Tom and I looked at each other and grinned. We stood either side of my wife, who was completely naked as she lay on the table. Tugging my cock, it only took three or strokes before I send a thick arc of jizz over her taut body, leaving a trail over her boobs and down her belly. Tom soon followed, spattering her face and boobs with his come before Carrie, the dirty little minx, scooped as much up as she could and popped it into her mouth!

Once we'd all got our breath back we finished our drinks and Carrie kissed me hard before going off with Tom to enjoy the rest of their night. I had to have a wank before I went to sleep myself as I remembered it – but I still had plenty left for Pauline the next night, when I'm glad to say she had fully recovered!

Joe, Exeter.

Svelte, leggy Scarlett made her *Mayfair* debut back in issue one this year, and caused quite a stir among the staff and readership, if your letters were anything to go by. Blimey, January feels like a long time ago though now, doesn't it? So What better way to remind ourselves of much happier times than to invite the titian toots *('Toots'?! Has anyone actually used that word in the last 50 years? – Ed)* back for another sizzling shoot!

"And I'm chuffed to be here!" she gushes. "These have been some pretty hard times, and I'm glad I can do my bit to help your readers get through them in good spirits!"

TECH'S APPEAL

Fancy some now tech gubbins to brighten things up during this most unsettling of years? Well don't go splashing out till you've read the *Mayfair* lowdown!

FAIRPHONE 3+

There seem to be countless smartphones on the market these days, which makes it bloody hard to try and decide which one to go for when your old one's given up the ghost. The snappiest camera with half a dozen different lenses? The fastest processor, or the most vibrant screen? The cheapest, or the most expensive? Every phone needs to have some sort of USP to give it an edge, but when all's said and done it's still hard to settle on a mobile that has something genuinely unique about it... unless you go for this one, that is! Let's face it, no matter how good your phone is, after two or three years it's invariably ready for the great phone knacker's yard, which might mean it getting stripped of its rare materials by some unfortunate in a far off land – or just ending up as landfill while you lovingly finger your swish new model. The Fairphone, however, breaks with that business model altogether by being what amounts to an eco-friendly (or at least eco-friendlier) option that allows you to replace parts of it when they conk out, and upgrade other parts to ensure that the phone actually lasts a good few years. In fact the 3+ is really a slightly revamped version of the 3, with better cameras and a greater proportion of recycled plastic used in the build, but that's kind of the point, because owners of the Fairphone 3 can keep their handset and just upgrade the cameras if they want to; the new ones are a more than ample 48GB rear snapper, and a 16GB front camera for selfies, if you're that way inclined. Performance is adequate without being spectacular – the 2018 Snapdragon 632 chip is a little long in the tooth compared to some, but then how fast do we really need our phones to be in the scheme of things? The 5.65 inch display, too, does a job without threatening higher spec models. 64GB of storage, which can be increased with a micro SD card ain't too shabby, mind, so if you're looking for a phone that wont cost the Earth or, umm, cost the Earth, then this is your best bet by a country mile! And if that doesn't make you feel good enough, the firm also provides their factory workers with a living wage bonus, which puts them even further ahead of the competition. All in all, a feel good phone that should last for years.

BATHMATE HYDROMAX

Seeing that we're an adult magazine, there's no reason why we shouldn't review an adult piece of kit once in a while – and given a lot of guys' interest in the dimension and well-being of their old chap, we thought we'd start with the best selling penis pump in the world, with over a million satisfied users worldwide. Bathmate have been in the business of ministering to manhoods for 14 years now, having revolutionised the technology by using water instead of air (or a lack thereof) to help generate the vacuum that'll improve blood flow to your johnson, as well as stimulate growth, both in terms of length and girth. Since then they've tweaked their original model and added numerous improvements; the vacuum is generated with a bellows pump at the base of the unit, which means the one-handed operation isn't a million miles away from a certain other one-handed procedure many of us perfected years ago (ahem!), while a new comfort pad at the very bottom ensures a snug fit with a tight seal and makes sure your prong doesn't get pinched by the bellows. With a number of sizes available from 3 up to 9 inches when erect, and several accessories including a neat strap for hands free use in the shower, this is a serious piece of kit that'll bring a new lease of life to your lifelong friend. And they're so confident you'll be impressed with the results, uk.officialhydromaxpump.com offer a no quibble, 60 day 100% money back guarantee, as well as a 2 year warranty against mechanical failure. You can't really argue with that now, can you?

"A penis-enlarger you say...?"

A man is sitting on a train across from a busty blonde wearing a tiny mini skirt. Despite his efforts, he is unable to stop staring at the top of the woman's thighs. To his delight, he soon realises she's not wearing any underwear.

The blonde realises he is staring and enquires, "Are you looking at my pussy?"

"Yes, I'm sorry," replies the man and promises to avert his eyes forthwith.

"It's quite alright," replies the woman, "It's very talented – watch this, I'll make it blow a kiss to you."

Sure enough the pussy blows him a kiss.

The man, who is getting really interested, enquires what else the wonder pussy can do.

"I can also make it wink," says the woman.

The man stares in amazement as the pussy winks at him.

"Come and sit next to me," suggests the woman, patting the seat. The man moves over and is asked, "Would you like to stick a couple of fingers in?"

Stunned, the man replies, "Fuck me! Can it whistle as well?"

A man was suffering from severe headaches for years with no relief. After trying all the usual cures he was finally referred to a headache specialist by his family doctor.

The specialist asked him what his symptoms were and he replied, "I get these blinding headaches kind of like a knife across my scalp and..." He was interrupted.

"And a heavy throbbing right behind the left ear?"

"Yes! Exactly! How did you know?"

"Well I am the world's greatest headache specialist, but I myself suffered from that same type of headache for many years. It is caused by a tension in the scalp muscles. This is how I cured it: Every day I would give my wife oral sex.

When she came she would squeeze her legs together with all her strength and the pressure would relieve the tension in my head, and now it's completely pain-free!

Try that every day for two weeks and come back and let me know how you're getting on."

Two weeks went by and the man came back.

"Well, how do you feel?" the doctor asked.

"Doc, I'm a new man! I feel great! I haven't had a headache since I started this treatment! I can't thank you enough. And, by the way... nice house!"

A couple are having financial problems until finally they couldn't stand it any more. The husband said to his wife that is was necessary for her to make some money through prostitution to get by.

So the husband drove her to the place where she had to do the job and left her, and in the evening he picked her up again.

"So, how much have you earned today?" the husband asked.

"Well", the woman replied, totting up her cash, "I've made one hundred pounds and fifty pence."

"That's strange," the husband responded, "who gave you the fifty pence?"

"All of them, of course!"

An old man was at the doctor's, trying to find out if there was any way he could determine whether his wife was hard of hearing.

The doctor replied, "If she won't come in for a hearing test, you could try talking to her when you get home. If you get no response, then move a little closer and repeat what you've said. If she doesn't hear you, you can gauge just how deaf she is by how close you get, until she does hear."

Armed with this information, he sets off home. Opening the front door he notices his wife in the kitchen, with her back to the door. Closing the door quietly, he says to his wife, "Hi honey, I'm home, what's for dinner?"

He gets no response, so he moves a little closer and says again, "Hi honey, I'm home, what's for dinner?"

Still no response, so he enters the kitchen and says, "Hi honey, I'm home, what's for dinner?"

Again she doesn't respond, so he walks up to her, touches her arm, and says, "Hi honey, I'm home, what's for dinner?"

With that she reels around and shouts at him, "For the fourth fucking time, lamb chops, you deaf bastard!"

Dani might have recently tipped over from her 20s to her 30s, but it seems to have suited her just fine! So does she feel more mature now, we wondered...?

"I don't think so, especially! When I was 25 or 26 the thought of turning 30 seemed horrific, but the nearer I got, the less I worried about it. If anything, I'm feeling naughtier and more comfortable in my body that ever before."

What wouldn't we give to feel comfortable in your body as well...

There are quite a few among us (mentioning no names, but the Ed springs to mind) who've let themselves go a bit these last few months, but Lacey Jay here looks about as perky and fit as we've ever seen her, don't you think? So does she have some sort of rigorous exercise routine that keeps her looking so well...?

"It's terrible – I know I ought to do a bit more exercise, but no, I don't really do any at all at the moment. I'm pretty lucky that I've always been able to eat whatever I like and it never seems to effect my weight. I'm already getting excited about Christmas and all that wonderful nosh on offer!"

There's a Christmas nosh on offer? Where do we sign up?!

SCENE from MAYFAIR

Rolling lockdowns and lengthening evenings mean we've all got plenty of time to spend in front of the box! If Strictly and the Bake Off don't float your boat, then try some of these!

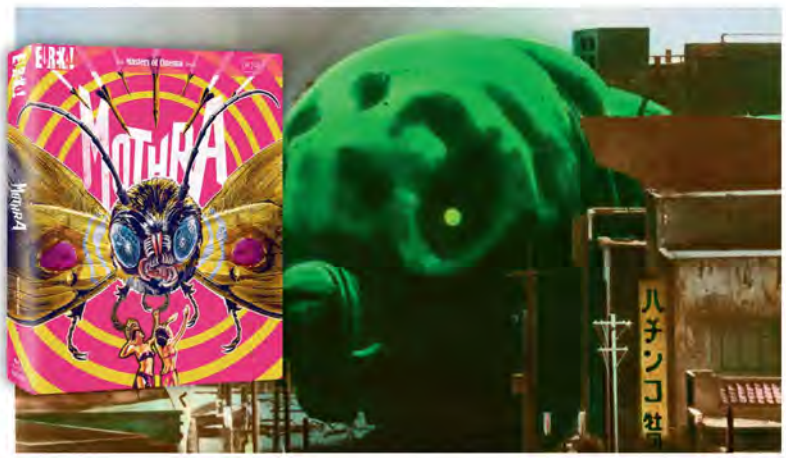
SUCCESSION SEASON 2

For those not willing to fork out for the UK's broadcasts of HBO content, there's the odd thing that's definitely worth checking out in some other way, even if it means splurging on a DVD – and *Succession's* most definitely one of those. Inspired, clearly, by Rupert Murdoch and his media empire, Brian Cox stars as Logan Roy, a Scottish-born media mogul whose family are all busy jostling for position as his age and failing health start to become an issue. And what a horrible bunch they are, with Jeremy Strong both pitiable and loathsome as presumed heir Kendall, forever trying to prove his worth while at the same time balking at his old man's ploys. Throw in Kieran Kulkin as younger son Roman, Sarah Snook as daughter Shiv and Matthew McFadden as her laughably unprincipled husband and you've got a tremendous ensemble, with pin-sharp dialogue and all the scheming of a modern I, Claudius.

KARLOFF / LUGOSI TRIO

No two names encapsulate Universal Studio's vintage horror era more than those of Boris Karloff – the quintessential Frankestein's monster – and arch-Dracula Bela Lugosi, and this fantastic release from Eureka presents three classics featuring the pair in three flicks inspired by Edgar Allan Poe. 1932's *Murders in the Rue Morgue* does an effective job with the original tale of mystery, with Lugosi as loopy scientist Dr Mirakle, but it's the films in which the pair appear together that are the most interesting. In *The Black Cat* a pair of newlyweds end up at Karloff's modernistic home in Hungary that hides a terrible secret, with his old associate Lugosi intrinsically linked to the horror that lurks beneath, while *The Raven* sees the pair lock horns in a tale of madness, torture and botched plastic surgery that caused quite a kerfuffle.

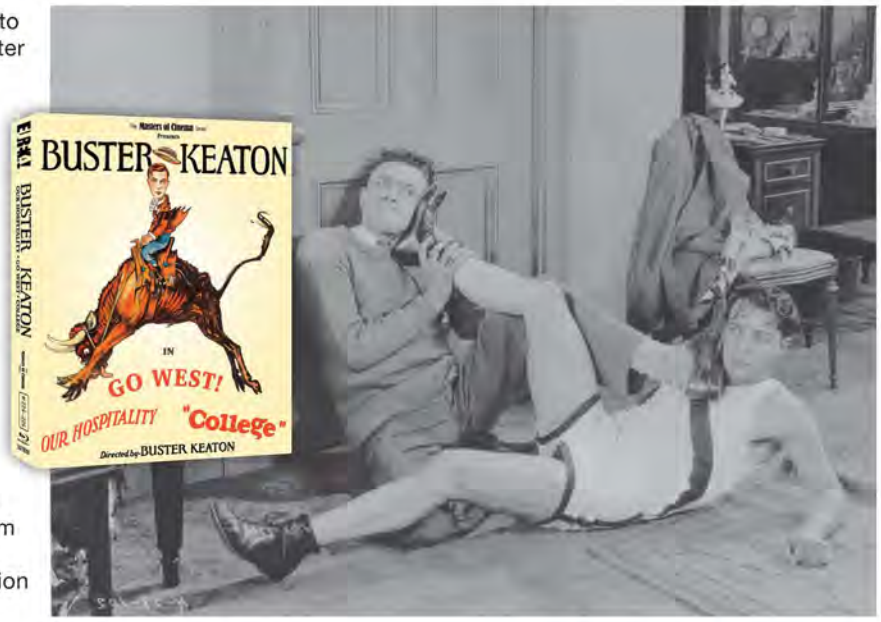
MOTHRA



No doubt a nation that's had a couple of devastating nuclear bombs dropped on it will develop a little differently as a result – thankfully Japan's the only place it's been done, and with the arrival of Godzilla just nine years after the end of the war that nuclear influencer of culture became clear. But Godzilla wasn't the only nuclear-inspired monster to emerge, with 1961 seeing the arrival of an even more bonkers creature feature that would go on to spawn a legacy almost as great as its more famous predecessor. The plot's a tad *King Kong*, with an expedition to an (irradiated) island stumbling across a couple of tinkerbell-like fairies and abducting them to put them in a show, only for the fairies' monstrous deity to come and rescue them and wreak its revenge on Tokyo. A bizarre and psychedelic experience – not least thanks to the lurid colours – that's definitely not forgotten once seen!

BUSTER KEATON **VOL.3**

Fans of silent comedy might have had a to wait a long time before the films of Buster Keaton got cleaned up and re-issued, but their cup's certainly runnething over now, with this third release from Eureka in recent months giving us another trio of titles that have been lovingly scored and restored, with plenty of bonus material thrown in for good measure. Things kick off with 1923's magnificent *Our Hospitality*, which takes its inspiration from a real-life feud famous at the time, and sees Buster lured into the house of his sworn enemies where, in a desperate bid to avoid a sticky end, he resolves to stay, secure in the knowledge they won't actually finish him off while he's under their roof. *Go West*, from 1925, involves Buster working as a ranch-hand, but he's not cut out for it and ends up triggering a stampede that brings chaos to the streets of LA. And finally *College* (1927) finds a lovelorn Buster trying to transform himself from bookish weakling to jock in order to impress his girl. Beautifully presented, this boxset is a welcome addition to any cineaste's collection.



THE WOMAN IN **BLACK**

It's a familiar enough title, thanks to Susan Hill's 1983 book, the long-running stage adaptation and the Daniel Radcliffe film that came out in 2012 (not to mention a sequel), but this isn't any of those. What we have, getting a blu-ray release after years languishing in obscurity, is the 1989 TV adaptation that those who saw it at the time will doubtless remember as one of the most spine-tingling Christmas TV ghost adaptations of all time. Perhaps it's not surprising, given that it was legendary TV screenwriter Nigel Kneale (the man behind *Quatermass* and *The Stone Tape*) who wrote it. Despite some qualms form Hill, this is an outstanding TV film that really ought to have seen the light of day long before now, with Pauline Moran putting in an unforgettable performance as the titular ghoul, and, in a neat coincidence, Harry Potter's on-screen dad Adrian Rawlins playing the spooked lawyer.

THIS GUN **FOR HIRE**

There are few pleasures in life that beat settling down in front of a slice of classic Hollywood on a rainy Sunday afternoon, and as we're entering the season of rainy Sundays, here's a top notch release to help while away a crackling 80 minute or so. There's some real pedigree, too – first off the story's based on a Graham Greene book, while the cast includes arch *femme fatale* Veronica Lake, Robert Preston and Alan Ladd, whose performance would launch him into the top echelons of stardom. Ladd plays a hitman who finds himself being double-crossed by his employer and sets about seeking revenge. With Lake as a cabaret performer and Preston as the cop on his tale, the plot revolves around the formula for a poison gas that Japanese secret services are trying to get their hands on (the film was actually in production when Pearl Harbour was attacked) and is full of the satisfying twists and turns that mark out a true noir. It got rave reviews at the time, and you can see why.

NOELLE

Age: 23 **Vital Stats:** 32B-24-33 5'5"
Photographer: EXP/J.S. Hicks

I don't know exactly what it is, but somehow you can just tell when a girl enjoys being in the nip and showing off her body, can't you? And Noelle here clearly falls into that category – she's knows she's got a cracking bod and she not going to be all coy about keeping it covered up!

"Ha, yeah, I guess you're right! I grew up in a pretty liberal sort of household, so we never thought there was anything to be ashamed of about nudity. This is how we were made, and if there are people who find me desirable to look at, well where's the harm in that?!"

Oh, there's no 'ifs' about it – there are plenty of people out there who find you desirable all right!

MAYFAIR MOVIES

They say the devil makes work for idle hands, so why not help keep at least one of your hands busy watching another batch of scruff?

WICKED PICTURES PRESENT ●●●●○

HELOVES ME IN **PLAID...**

CAST
KENZIE TAYLOR
MAYA KENDRICK
AIDRA FOX
EVELYN CLAIRE
LACY LENNON

There's clearly a bit of a 'schoolgirl' vibe going on here, but Wicked get round accusations of being too suspect by making this a tasteful couply flick in which the clearly-not-under-18-year old models get themselves all dolled up in the plaid skirts to please their fellas. Blonde Kenzie looks so fine in her get-up she can't help admiring herself in the mirror while her man looks on, but he soon gets pay-off, feasting on her boobs and her furry foo-foo before a nice sofa shag rounds off with him painting her tongue. There are plenty more pubes on display in the next three scenes as well, two of which feature very cute redheads in Lacy and Maya. Aidra bucks the trend in the final scene with a shaven snatch, but one way or another this is a classy enough offering from Wicked.

DIGITAL PLAYGROUND PRESENT ●●●○○

RED LIGHT **ARENA**

CAST
GABBIE CARTER
KARMA RX
JANICE GRIFFITH
DEMI SUTRA

Cute Jannice has been in a relationship with nasty Michael Vegas for a full 3 months, and to celebrate she pleads with him to get her a phone so she can get online. He's such a controlling rotter he insists on wearing some sort of virtual reality headset thing when they screw to improve the experience, although from where I'm sitting the experience looks more than good enough as it is; and sure enough, he dispenses with it after a while as he sets about slamming into her shaven snatch every which way. When he's finally given her a gobful he dashes off, but makes the mistake of leaving his headset behind. Janice tries it on... and is transported to some sort of online game that sees Karma and Demi having a lesbo face-off while surrounded by arcade machines. Plenty of tonguing moves the plot forward, until Janice is caught, Red Arena-handed! Still, she gets another sneaky go on the device, to watch Gabbie get a pronging from Damon Dice. Hmm, all a bit strange!

PRIVATE PRESENT ●●●●○

GORGEOUS **AND YOUNG 3**

CAST
GINEBRA BELLUCCI
TALIA MINT
JULIA DE LUCIA
MISHA MAVER
GINA FEROCIOUS

It's an age old problem; poor Julia and Misha are a couple of lipstick lesbians who like a spot of botty play, but they just can't quite get into the swing of things because "a piece of silicone is not the same as a nice warm cock". Thankfully, the next day, as the girls sit side by side at work, along comes a fella who's got just what the doctor ordered, and the girls waste no time in trying him out for size. Frankly, from the way these two go about it, I'm not entirely convinced they really were proper lesbians in the first place, but by the time he's splattered their faces with harry, such quibbles seem a bit petty. Talia, meanwhile, plays an erstwhile shoplifter who's come to a mutually satisfying arrangement with a rather shifty looking security guard. She gets to keep the goodies, and he gets his cock sucked and fucked, with plenty of reverse cowgirl compensating for the slightly iffy sound quality. Spanish splosher Ginebra's bum gets a good workout in scene 3, while pale-skinned Ms Ferocious's gym workout takes a turn for the filthy.

EMMA

Age: 32 **Vital Stats:** 32DD-25-35 5'4"
Photographer: BBM

For a party animal like Emma, these last few months must have been quite a struggle – so how's she been managing since things kicked off?

"Oh, at first it was terrible. I'm usually out four or five nights a week, so being stuck at home was a real jolt. Having a glass or two of wine and sitting in front of a zoom meeting with your mates doesn't quite cut the mustard. I even tried a bit of sexting with a couple of guys I know, but it's not the same as a proper bunk-up, is it?"

Not really. So have things got any better since then?

"Yeah, I've got used to the slower rhythm of life. I think having a routine helps. So every evening at 5 you'll find me having a bath and a wank – it's working a treat!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I think I've always had exhibitionistic fantasies, but it's only since I got together with my new man that I've felt confident enough to start acting hem out – even though he's quite shy, he's been very encouraging as we've indulged my exhibitionist streak.

It started the last time we went out with his family for a meal last summer. It was hot in the restaurant and we weren't the only ones to go out to 'get some air'. However, I can't imagine that there were many girls who pulled their man into the shadows round the back of the restaurant and gave him a quick blow-job. I rested my bare knees on his shoes, undid his trousers and took his surprised cock into my mouth. When he warned that someone was coming, I thought Ryan was talking about himself. By the time I heard the crunch of gravel, it was too late to stop – so I didn't. It gave me a thrill to be on my knees in front of my boyfriend with his cock in my mouth with people walking by. I knew they could see me and it was obvious what I was doing. Were they watching? The idea that they might be watching made me go deeper and faster on Ryan's cock. It was too much for Ryan and he let out a shocked groan of sexual satisfaction.

Name: OLIVIA
Age: 25
From: NORWICH

They must have known that I'd just made my boyfriend come; known that his spunk was flooding my mouth. My hand slipped up between my parted legs as I rolled Ryan's spunk around inside my mouth and I rubbed my clit. I was so turned-on that it was easy to build my pleasure. I needed to breathe, so I swallowed and took a deep, gasping breath. As I held that breath, the only part of me that was moving was my hand. I wanted to do it, wanted to come with someone watching. I took another urgent breath and knew it was enough for me to reach my peak. I could hear the wet sounds of my pussy as I rubbed hard and fast. I didn't exaggerate when I came but every grunt was an explosion of noise against the soft murmur of the party continuing inside the restaurant.

> "MY HANDS SLIPPED UP BETWEEN MY PARTED LEGS AS I ROLLED RYAN'S SPUNK AROUND MY MOUTH"

Ryan pulled me up and I turned to look at my audience for the first time. It was two of the waitresses that had been serving our table. For some reason I felt a pang of disappointment that it wasn't men – in my mind it had been men watching me give the blow-job. They'd got hard at the spectacle and I imagined that they would masturbate over what they had seen me do. I could tell by the disinterested gaze that these two

wouldn't be thinking about me the next time they played with themselves.

"I can't believe you didn't stop," Ryan whispered, as we slipped back into the restaurant. I told him how it had made me feel to know that someone was watching and admitted to what I really wanted to happen.

"Well, if you want a man to see you, you need to go where men go."

I could tell by the naughty smile that my boyfriend had an idea of how we might play out my fantasy.

We waited outside the restaurant for our taxi to arrive.

"I didn't phone one," Ryan said, as I started muttering about how long it was taking. "Come-on," he said, taking my hand in his. He dragged me across the road, me clip-clopping in my heels.

"What are you doing?" I asked, as he dragged me into a pub. It was a rather plush place – one of those gastro-pubs which concentrate on food rather than drink, even on a Saturday night. I let Ryan lead me right across to the far corner and up a corridor to the toilets. "I can't go in there!" I protested, as he opened the door to the Gents.

"I thought you wanted to be seen by men?" he replied with a grin. "If you want to be seen by men, you need to go where men go." I laughed at his faultless logic.

"Yes, but… now?" I asked, my stomach fluttering wildly. It was something I wanted to do.

"I'm ready," he said, guiding my hand down to the lump in his trousers.

"Excuse me," a smartly-dressed chap said, nodding at the door to the Gents.

"Now's your chance," Ryan said, and I looked inside as the door was pushed open. Before I knew it, my heels were clacking across the tiles of that strange, forbidden place. I looked at the line of urinals and caught the eye of the chap we'd followed in as he turned at the sound of my giggles. I thought what my reaction would have been if he'd come into the ladies' loo. I probably wouldn't have smiled. Ryan pushed me into the end cubicle and shut the door behind us.

"I can't believe we're doing this," I whispered, breathlessly.

"Me neither," Ryan said. He pushed me against the wall and quickly extracted his cock from deep within his trousers. I pulled my dress up and my knickers to one side. The material was shamefully wet but I was ready. The extra inches from my heels meant I was at the perfect height to receive Ryan's thrust. Just as the heat of his cock touched against the outer folds of my pussy, I caught movement out of the corner of my eye. Ryan hadn't latched the door to the cubicle and it had swung open. My face filled with colour as I saw blue eyes watching me. The guy had his back turned to us as he washed his hands – but he was watching us in the mirror. He was tall, with messy blonde hair and he smiled as he saw me watching him. I smiled back for a brief second, and then I saw my face crease with ecstasy as Ryan thrust up into me.

"Ooh fuck!" I groaned, a little louder than necessary. The guy made no pretence to the fact that he was watching as Ryan started fucking me. His reflection winked at me and he turned slightly to reveal the truth of what he was doing. The sound I made was more of a hungry snarl than

"I PULLED MY DRESS UP AND MY KNICKERS TO ONE SIDE. THE MATERIAL WAS SHAMEFULLY WET, BUT I WAS READY..."

a shocked gasp. Although the tap was running, he wasn't washing his hands – his cock was out and he was wanking it furiously over the sink. I wasn't completely comfortable with what he was doing, even though it was exactly the reaction I had been hoping for. However, being out of my comfort zone was really exciting. I would never admit it to Ryan, but I found myself imagining that I was being fucked by the cock I was watching. I wrapped my arm around my boyfriend's waist and urged him to do me faster and harder, to keep pace with the manic masturbation which was taking place just outside our little cubicle.

My gaze was locked on the stranger's cock and I saw him stiffen as he stopped stroking. A thick rope of white leapt from the end of his cock onto the basin, quickly followed by another and another. Something inside me twisted and I gasped as my pussy flexed into orgasm. I managed to keep my eyes on him, on the stranger as I came and his hungry eyes heightened the intensity of every pulse. "I'm going to… aghhh!" Ryan's groans filled the room as his spunk filled my pussy.

"Watch me," I thought. "Watch me as I take my boyfriend's spunk." It was empowering and I felt sexier than I'd ever felt in my life. The stranger and I shared an intimate moment as he turned and re-arranged his clothing. I couldn't stop the smile from curving my lips and I winked at him, as he had done to me. He looked away as Ryan withdrew and handed me some loo roll.

"Did he see?" Ryan asked.

"I think so," I said. I needed to see what the stranger had done. I went to the mirror and made a show of checking my hair and lipstick. There were three thick ropes of spunk on the marbled surface. My heart thumped wildly as I curled my fingers under the longest one, detaching some of the slimy goo. A flicker of something really dirty gripped my chest and I licked my fingers clean before I could change my mind. Was it cheating to taste another man's salty spunk?

"Are you OK?" Ryan asked. I had to swallow to reply.

"Yes," I said, smiling sweetly.

"Come on, let's get a drink. You can point out the guy that saw us, if he's still here."

The guy, as it turned out, was still there, and was sitting with a blonde, who had her back to us. He looked up and saw me, and we shared another lingering glance, and I felt my pussy tingle – but I didn't tell Ryan. Some things are better left to the imagination, whilst some things are much, much better if you act them out.

"MY GAZE WAS LOCKED ON THE STRANGER'S COCK, AND I SAW HIM STIFFEN AS HE STOPPED STROKING..."

"I MANAGED TO KEEP MY EYES ON THE STRANGER AS I CAME, AND HIS EYES HEIGHTENED THE INTENSITY."

When Andy and I moved in together, just the two of us with no other flatmates, our sex life got such a boost. We could fuck all over our new flat, make as much noise as we liked… Strange as it sounds, though, I think I kind of missed the buzz of wondering did anyone know, could they hear my moans?

Name: KERRY
Age: 29
From: YORK

One morning, I called to Andy who found me sprawled out in the hallway, pussy splayed as I sucked on my juice-coated vibrator. I told now, and I wasn't moving until I got one. He was hot, sweaty and hard after a morning workout, and I laid him on the tile to cool down, planting my pussy over his cock. As I rode him, cowgirl style, dangling my big tits over his mouth, I heard someone walk up toward our door. Andy seemed oblivious.

"Come on, fuck me harder," I moaned, hoping whoever it was would hear me.

They rang the bell, and Andy froze. I wiggled up against his prick, trying to coax him to thrust again, but he stayed still. Another ring, and I nuzzled his neck, then raised my head and said the caller had gone. This wasn't true, in fact I could just about make out the bloke squinting through a small glass pane set in the door. I didn't know who the fuck he was – still don't – and I really didn't care. I licked my lips, blew the guy a kiss, a tingle of excitement shooting through my cunny.

"I want to come all over your cock," I told Andy and started to ride him hard, moaning and gasping dirty talk, letting my tits bounce and slap around freely.

"Slow down," Andy groaned, but I ignored him, riding him till I suddenly came really hard. Soon after, I felt his cock jerk and start to shoot in my hole. I pulled off of him and sprawled back, wanking his prick so that it spunked all over my mound, the white ropes melting and sinking into my slit and hole.

He's used to me getting wild when we fuck, so he just slid out from under me, kissed me and said he was taking a shower, if I wanted to join him. I said I'd be there once I'd come – I'd already picked up my vibrator.

He looked a little confused, like he thought he'd satisfied me already. "I just want to come again," I said, so he shrugged and walked off.

I winked at the eye I felt sure was peeking through the glass and started to run the vibrator over my naked body, buzzing my nipples stiff before I skimmed it down over my belly. Then I parted my legs and laid my pussy open with my fingers before using it against my slit. I dipped it in my hole, knowing my voyeur would want to see that – and pounding it deep before I pressed it to my clit.

Immediately, I began to squirm, my body shivering with pleasure as it made contact with the tile. My pussy was so wet it was hard to build up friction, then a tension seized hold of my entire fanny, before a wave of pleasure crashed through me.

I was trembling, sighing in ecstasy, but I still wasn't done. I flipped over, stuck my arse up in the air and then reached back, powering the vibe into my snatch. I stirred it around, finding the hottest spots, feeling the wetness run down the insides of my thighs.

"I PARTED MY LEGS AND LAID MY PUSSY OPEN WITH MY FINGERS BEFORE USING THE VIBRATOR AGAINST MY SLIT."

I could only guess at what the bloke was doing, probably wanking furiously as he watched me fuck myself. Then I shut my eyes, seeing stars as another even stronger orgasm hit. I slid down to lie on my tummy, my vibrator still inside of my pussy, just the last inch or so poking out.

That's how Andy found me, breathing heavily, too fucked to move. But a slow pussy-licking soon got me ready again…

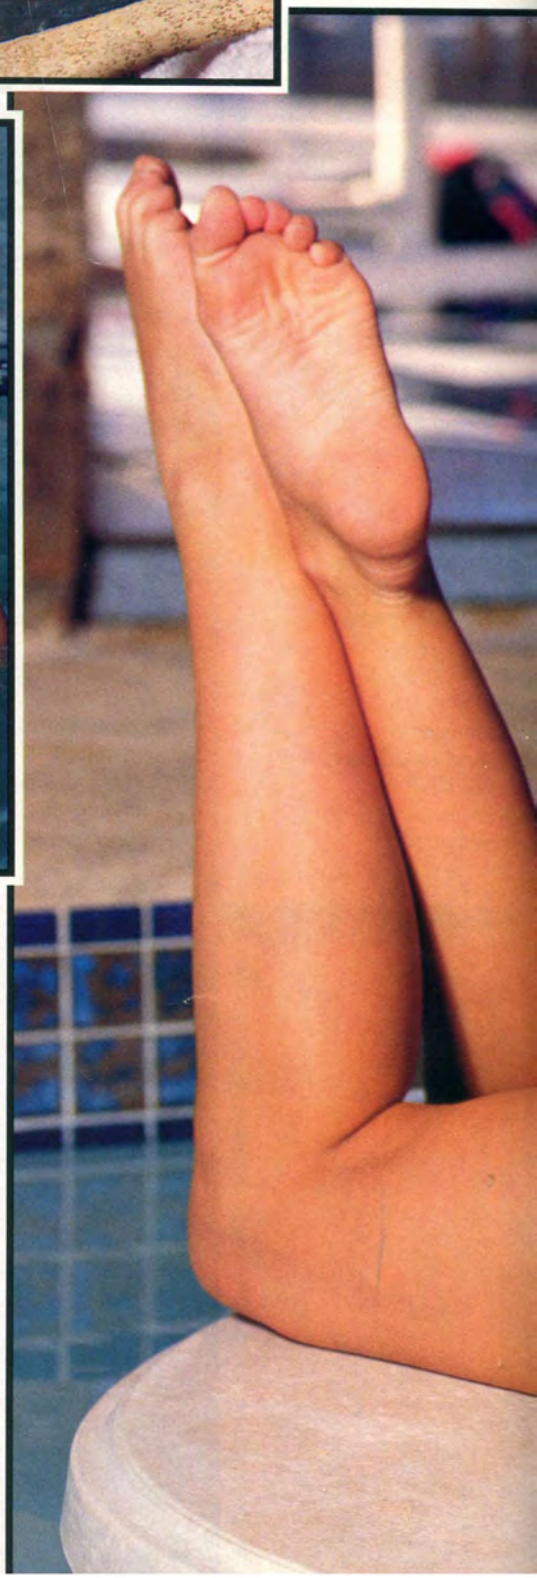
Your favourite Page 3 girl

KAREN BRENNAN

PHOTOGRAPHED BY GEORGE RICHARDSON

Stunning Page Three girl Karen Brennan took America by storm with this sizzling photo set, shot in Florida. When we saw the results — Karen, brighter, lovelier and nuder than her UK fans have ever seen her before — we knew you'd want to see them, and rushed the set into print. With one glance, you can see just why the 36-24-34-inch beauty conquered the US. Her success persuaded her to go on an extended US tour, and achieve her life-long ambition of exploring film capital, Hollywood.



Even in Texas, where everything is big, 20 year old Karen stands out. There are models with larger busts, but few have the remarkable bouyancy of Karen's figure, that distinctive jut that has become very much her trademark, and brought her international success. But, despite her fame, Karen is happiest sat at home, with a cup of tea, a good book and her pets — Squeaker the cat, Sonny the dog, and a tortoise called Tobbs. 'I enjoy dancing and keep up with all the latest records,' she says, 'but I couldn't spend all my time in discos and nightclubs. I like to go out for special occasions, to a restaurant and I also love swimming and aerobics, so I can often be found in the gym.'

Classic MAYFAIR

This issue we delve back through time a full 30 years, when busty Page 3 babe Karen Brennan was making quite a name for herself., and you can see why, can't you? All that aerobics and gym activity clearly paid off a treat! M

Karen hit the headlines recently when she was pictured having a roll with two soldiers! But before your imaginations run riot, it should be pointed out that it was a cheese one, and the two soldiers were on a bizarre assignment to seek out a Page Three girl, and take her out to dinner. Karen was happy to oblige when the resourceful trainees tracked her down. It just shows that, whether on service at home or abroad, Bournemouth born Karen passes out with honour in any beauty parade.

There are people out there who reckon we ought to just write 2020 off as a bad lot and just concentrate on making it to 2021. I can see where they're coming from, of course – this has been a pretty crappy year by anyone's standards, but it's far from being a total write-off! We may not have managed to hold Wimbledon and the theatres remain shut, but at least some British institutions have soldiered on, and just to prove it we've got one more issue up our sleeves before the year's out. We can't promise every girl in the mag will rhyme, but Stella and Bella sure do!
